

LIFE FLIGHT MEMBERSHIP

What is the Membership?

The Life Flight membership was developed to help eliminate the financial burden involved in the use of air medical transport. It is designed to be a safe guard in case the member's insurance denies a claim against a transport off the island.

This is a Membership NOT a form of insurance.

Your \$75 or \$100 is a membership fee.

Life Flight is contracted with numerous insurance carriers for payments. If your insurance does not pay the full bill, as long as you are a member, Life Flight will release the member from the remaining amount **as long as your co-pays and deductibles are met.**

As the Membership Application states,
Patients are responsible for all co-pays and deductibles.

Patients with Medicaid, or do not have any insurance, are
NOT eligible for the membership.

If you have any questions, feel free to contact Pat Rogers, Put-In-Bay EMS Manager, at 419-285-2401 or Chris Schultz, Life Flight Operations Manager, at 419-251-4364 during normal business hours.
