or you may turn it in at our first meeting

PIBPOA continues to address concerns faced by island residents. Our first meeting will be **Saturday May 20**. We plan to have Peter Huston from the Great Lakes Island Alliance, Wendy Chambers from the PIB Chamber of Commerce and Shea McGrew from the Ottawa County Community Foundation. Plans for our June meeting include hosting representatives from the township and village to discuss policing on the island. Please check the Put-In-Bay Property Owners Association Facebook page or our website, PIBPOA.com for the place and time.

By being a member of PIBPOA, you will have a voice on island issues and be kept informed of the latest news, meetings, and events.

See you at our first meeting!
